Why Choose Us?

This company has been operational since 1902!

There are hundreds of companies to choose from. Finding one you can count on and build a relationship with for the long term is a difficult task. There are many reasons why we are different from the rest of the pack. But this is what we consider the most important:

Knowledge and service that comes from being in business for over 110 years

- We take pride in our work and employees
- No hidden costs
- Competitive Shipping rates
- Complete door to door shipping

Used Equipment for Sale

We're committed to serving you with honesty, quality, and value.
